Title: Need to provide daily stoppage of Howrah-New Delhi Rajdhani

Express at Burdwan.

PROF. DR. MAMTAZ SANGHAMITA (BARDHMAN DURGAPUR): The Kolkata Rajdhani (named as Howrah Rajdhani) No. 12301 & 12302 runs between Howrah and New Delhi. Recently a 2 minute stoppage has been allowed twice in a week at Burdwan Junction that too the day when train runs via Patna and takes relatively more time. I, therefore, urgently request to make it a daily stoppage. The passengers from Burdwan, Birbhum Purulia, Bankura & Murshidabad will be benefitted by that.
